

MOUSE

Height 32 cm

MATERIALS

- 30 cm salt & pepper tweed
- stuffing
- piece of grey or pink felt-like wool fabric
- piece of black single jersey
- grey and black thread
- double-sided fusible web, Vlieseline®/Vliesofix

PATTERN PIECES

	cut
<i>Tweed</i>	
1 face	1
2 back of head	2
3 ear	2+2
4 arm	2+2
5 front torso	2
6 back torso	2
7 lower torso	1
8 tail	1
9 leg	2+2
<i>Wool fabric</i>	
10 muzzle	1
11 inner ear piece	2
12 palm	2
13 heart	1
<i>Single jersey</i>	
14 nose	1

CUTTING

Cut pattern pieces out from pattern sheet. Pattern pieces include all seam allowances. Cut pieces 1-9 from tweed and piece 14 from black single jersey as indicated on list of pattern pieces. Fuse piece of double-sided fusible web to wrong side of wool fabric and cut pieces 10-13 from wool fabric.

SEWING

Seams: Stitch seams with straight stitch.

Muzzle, inner ear piece, palm and heart: Remove paper backing of fusible web from wrong side of pieces cut from wool fabric. Pin muzzle, inner ear, palm and heart pieces to right side of pieces cut from tweed as shown in design sketch, without turning their raw edges under, and fuse them in place. Stitch pieces in place by hand using small blanket stitches or by machine using stitch that resembles blanket stitch.

Ears: Stitch ear pieces together in pairs, right sides facing, and stitch their curved outer edges together. Turn ears right side out. Fold small pleats on ears as marked on pattern and machine-baste bottom edges of ear pieces together.

Arms and legs: Pin and stitch arm pieces as well as leg pieces together in pairs, right sides facing, leaving their top edges open; leave also small opening on each arm and leg for stuffing as marked on pattern. Turn arms and legs right side out. Stitch center-front seam of torso and press it open. Pin and machine-baste arms and legs to torso front panel as marked on pattern. Align seams on each leg before machine-basting in order to make mouse's feet point forward.

Tail: Fold tail piece in half, right sides together, and stitch its outer edges together; leave its top edge open and leave also small opening in seam for stuffing as marked on pattern. Machine-baste tail to one of the torso back pieces, stitch center-back seam of torso and press seam open.

Torso: Pin front and back torso panels together, right sides facing, and stitch side seams, with arms in between panels. Pin and stitch upper torso to lower torso, right sides together, aligning seams of upper torso with pattern markings on lower torso and placing legs in between torso panels. Turn torso right side out.

Head: Pin head back pieces together, right sides facing, and stitch back seam. Stitch darts on back of head. Machine-baste ears to back of head as marked on pattern, with back of ear facing right side of back of head. Stitch muzzle seam on face panel. Pin face panel to back of head, right sides together, and stitch curved seam, leaving it open along neck edge. Turn head right side out.

Joining: Stuff arms, legs and tail so that they are firm. Close openings by handstitching. Stuff torso and head so that they are firm. Insert neck-edge seam allowances on head into torso, turn neck-edge seam allowances on torso under and pin head in place. Stitch head to torso by hand using short blind hemming-stitches.

Finishing: Sew gathering stitches along outer edge of nose piece and gather edge, pulling on thread so that seam allowances are turned under. Shape nose into ball shape and sew it in place. Sew eyes with a few crisscrossing stitches as marked on pattern, using black thread.

MOUSE'S HAT and PANTS

MATERIALS

- piece of striped interlock knit
- piece of black ribbing

PATTERN PIECES

cut

Hat

- | | |
|-------------|---|
| 1 hat front | 1 |
| 2 hat back | 1 |
| 3 binding | 1 |

Pants

- | | |
|------------------------|---|
| 4 pants front | 2 |
| 5 upper pants back | 2 |
| 6 lower back-leg panel | 2 |
| 7 waistband | 1 |

CUTTING

Trace pattern pieces from pattern sheet. Pattern pieces include 1 cm seam allowances.

Hat: Cut hat panels from striped interlock knit and binding from black ribbing as indicated on list of pattern pieces.

Pants: Cut pants panels from striped interlock knit and waistband from black ribbing as indicated on list of pattern pieces. Take note of grainline on pattern pieces for pants back panels!

SEWING

Hat: Finish raw edges of hat panels with zigzag. Pin hat panels together, right sides facing, and stitch them together with straight stitch, leaving openings for ears as marked on pattern.

Stitch ends of binding strip together to form closed loop. Pin and stitch binding to bottom edge of hat, right sides together. Fold binding over to wrong side, pin it down and stitch with double-needle close to seamline from right side. Trim off excess seam allowance from wrong side.

Turn seam allowances on edges of ear openings to wrong side and hem edges by hand-stitching. Sew gathering stitches on hat as marked on pattern, gather hat by pulling on thread and secure thread ends carefully.

Pants: Finish raw edges of pants panels with zigzag and stitch seams with straight stitch. Pin and stitch upper pants-back panels to lower back-leg panels. Stitch leg inseams. Stitch crotch seam, leaving opening for tail in seam as marked on pattern. Turn seam allowances on edges of opening to wrong side and topstitch around opening. Stitch side seams.

Stitch ends of waistband piece together to form closed loop. Pin and stitch waistband to pants waistline, right sides together. Fold waistband over to wrong side, pin it down and stitch with double-needle close to seamline from right side. Trim off excess seam allowance from wrong side. Hem bottom edges of pants legs.
