

# OTTOBRE design® collection for Spring/Summer 2016

## WOMAN 2/2016

### VIVID EXPRESSION

We took a plunge into the depths of the blue sea and the verdant jungle and designed the casual items in our spring/summer collection with bold brushstrokes. Lovely tops and T-shirts, Bermuda shorts, a viscose shirt, a midi skirt, a cross-front dress and three other fabulous dresses, plus a jumpsuit.

### ROMANTIC FLORALS AND PAINTERLY PRINTS

Our special-occasion apparel for the summer season was inspired by watercolor-like fabric patterns, pointillist prints and geometric motifs. Linen dresses and pants, a double-face jersey dress, a viscose blouse, a beautifully-cut satin dress, a fabulous black maxi dress, and two elegant skirt and peplum-top sets.
