STEPPING OUT ON THE TOWN

We designed fabulous outfits for modern women of all ages. We created interesting contrasts by combining snug and loose fits as well as classic and modern styles. A gorgeous pant suit from corduroy, a fitted linen vest, and a neat silk-blend jersey rollneck. A velveteen skirt suit in the style of the swinging sixties. A dashing elegant faux-suede coat and a midi-length tiered viscose-crepe dress. Sizes 34-48/52

DON'T FORGET TO BREATHE

In this minimalistic and elegant collection, we made use of the rich autumn palette, ranging from lichen-green to apatite-blue and from pale-orchid to hawthorn-rose. You can wrap yourself up in soft knits, classic tweeds, and responsibly-produced viscose fabrics with a lovely drape. A viscose blouse and tweed culottes with a belt. A silk-blend jersey rollneck and a classic skirt suit from herringbone tweed. Three beautiful dresses from knit fabrics. Sizes 34-52
