MATERIALS

- 10...15 cm GOTS-certified organic-cotton single jersey (CO/EL), width 160 cm, weight 210 g/m², stretch/recovery 20%

CUTTING

Cut hairband pieces from single jersey as indicated on list of pattern pieces, placing center-back of pattern on fabric fold and adding 7 mm seam allowances to other edges.

SEWING

Construction techniques: Stitch seams with serger or with overedge stretch stitch on regular sewing machine.

Band: Fold band piece in half lengthwise, right sides together, and stitch its long edges together. Turn band right side out and steam it flat, placing seam along the middle of band (seam will be on the inside of finished hairband). Insert one end of band into the other end to form a circle and stitch ends together with zigzag stitch (there is no need to turn raw edge under). Fold a pleat along band across zigzagged seam and machine-baste it in position.

Bow: Fold bow piece in half lengthwise, right sides together, and stitch edges together, leaving small opening for turning in the

middle of seam. Turn bow piece right side out and close opening for turning by hand-stitching. Pin bow piece on the inside of band over zigzagged seam, placing it straight across the band. Stitch bow piece to band, then wrap its ends to the outside of band and tie them in a knot.
