

MASK

OTTOBRE design® 1/2017 (20)

MATERIALS

- cardboard (You can use recycled material, a cereal box etc.)
- round elastic
- glue
- tape (optional)

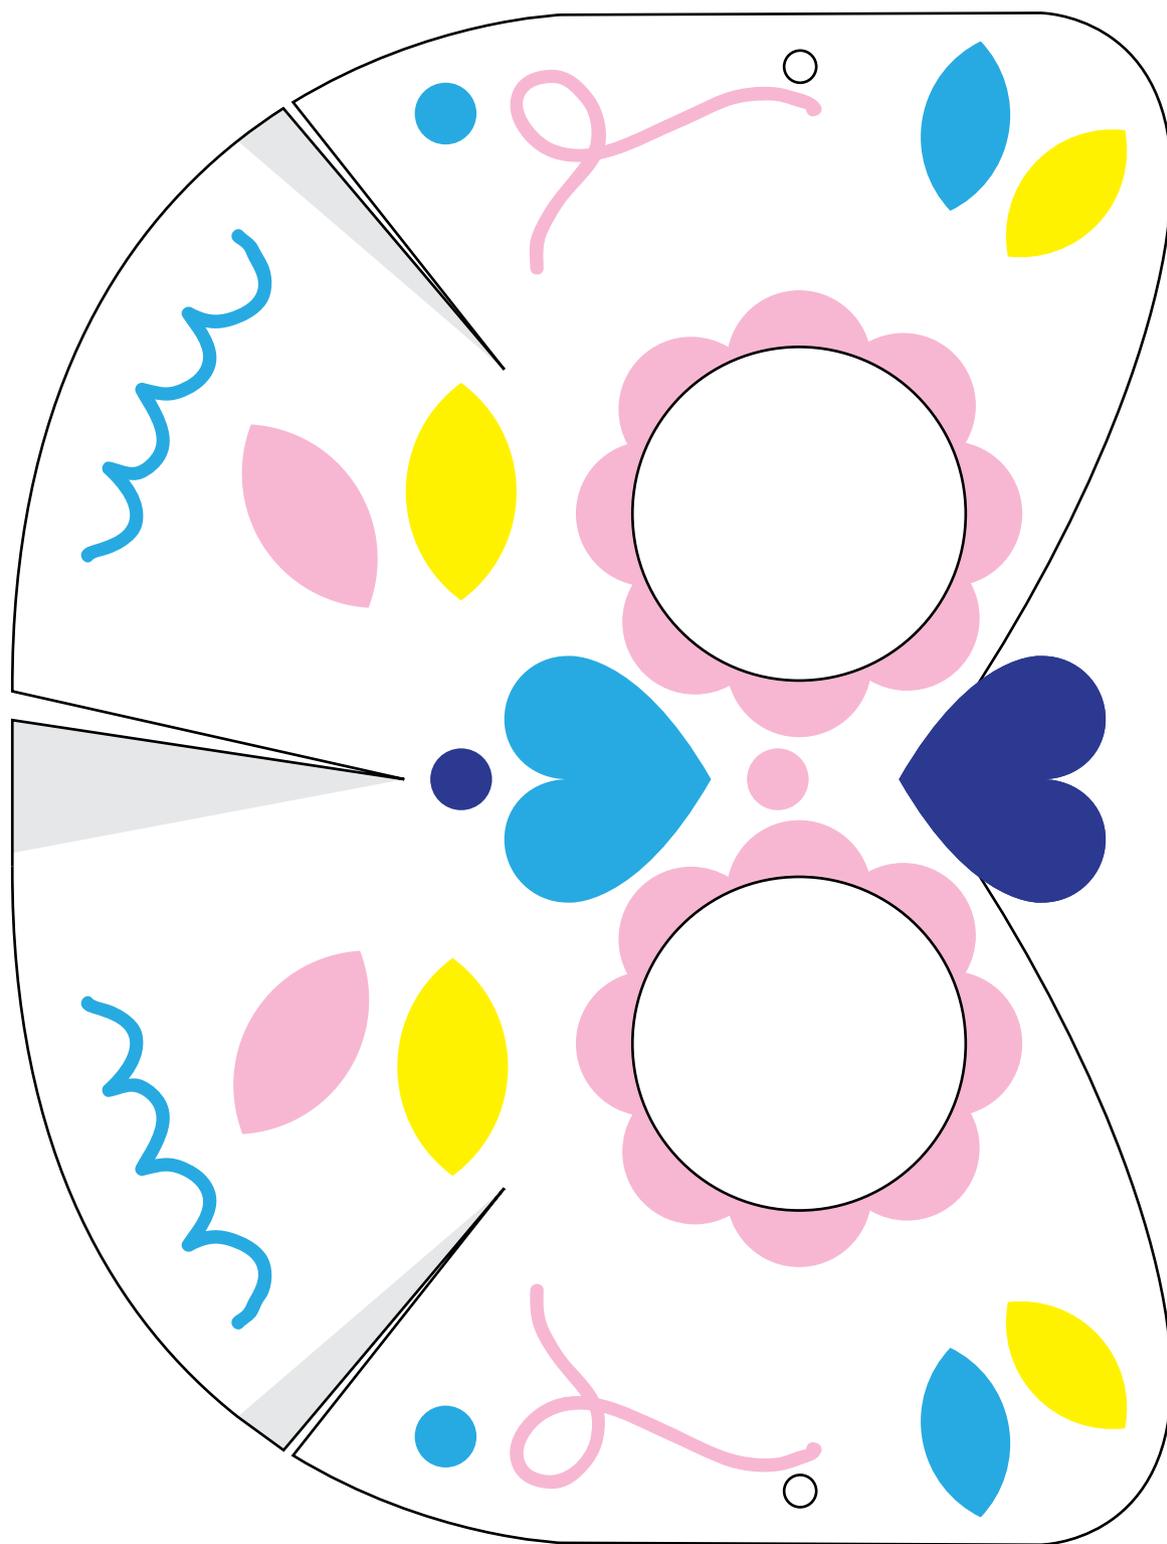

INSTRUCTIONS

Print out the mask and glue it to the cardboard. Cut the mask out of the cardboard. Cut out the eyes too. Fold the darts and glue or use tape to attach them on the back side of the mask. Attach the round elastic on the mask and adjust the length to fit the child's head.
